

# Enjoy your ride with full protection from the No. 1, Malayan Insurance.

- 1) **Compulsory-Third Party Liability**  
Cruise through the hassles of your Motorcycle Registration.
- 2) **Loss/Own Damage**  
Malayan takes pride in its claims settlement reputation in the same way proud owners value their exotic bikes. Financially protect your precious bike from damage or theft.
- 3) **Third Party Liability Protection**  
Riding involves great responsibility, and you always run the risk of accidentally hurting someone or damaging another person's property. Malayan shoulders these risks to keep your riding experience refreshing as if it was your first time to ride again.
- 4) **Riders' Personal Accident**  
Protect yourself and your passenger against the misfortunes of accidents.
- 5) **Acts of God Protection**  
Secure your precious bike for the unexpected. This optional cover will provide coverage for damages directly caused by typhoon, flood, hurricane, volcanic eruption, earthquake, or other forces of nature.
- 6) **Riots, Strikes & Malicious Damage Coverage**  
We make sure our customers are not victims of social unrest and lawless elements. This optional cover will respond to losses incurred due damages intentionally or unintentionally done by third parties.

Yes I am interested, send me an application form.
